⇒ **Welcome to our new instructors;**

Matthew Benedetto has a degree in teaching, graduated from the UBC Apprenticeship, and has 4 years of field experience.

Joseph Summerfield from Local 1121 has over 18 years of service and field experience.

Richard Fisher has over 15 years of service and field experience.

These members have stepped forward and have much to offer as our training instructors.

⇒ A letter has gone out to all the apprentices which basically states; Apprentices ***must*** bring their Blue Book, properly filled out to every class. The books should be up to date with the hours and signatures from the contractors you have worked for. Failure to do so will result in you being sent home from the class you are attending.

⇒ Get your **OSHA** card updated. Employers want to see it updated and ***not*** older than 3 years!!

⇒ Apprentices utilizing the **GI bill** should be sending their monthly certifications to Irene Jones who is your certifying official, email address is: ijones@easternmillwrights.com

⇒ **OSHA 30** class that includes an MSHA (Mine Safety &Health) coming up :
January 30-February 3, 2017 at the Rochester Training Center. Call Irene at **(315)949-7031** and sign up today!!!
